

Grace St Paul's Episcopal Church
Giving and Receiving for 2012

Name(s): _____

Mailing Address: _____

Home Phone: _____ Work Phone: _____

Mobile Phone(s): _____

Email: _____

Names of children in your household (w/ ages): _____

May we list the above in the parish directory? Circle one: Yes No

What can Grace St. Paul's do for you? What are we missing in our programming? What would make your participation in our community easier, more fulfilling, more spiritual? Most importantly, how can we help you? Share your thoughts below or speak directly to the Rector or a ministry chair if you prefer.

Money supports our mission (and pays the bills). Thoughtfully consider how much you will pledge to Grace St. Paul's and know that we honor the confidential nature of your donation. We understand that life may change after your pledge, which could affect this, but it gives us a good place to start planning.

\$_____ Circle One: Per Week Per Month Per Year

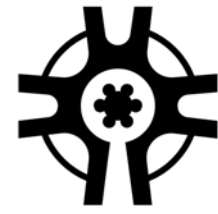

Setting up a Pay-To Account for GSP via your financial institution will allow you to give online.

An Important Note on Change: In the past, specific ministries were funded by individuals throughout the year. This made planning an annual budget difficult. So this year, both to create a more concrete budget, as well as tangibly demonstrate that the ministries are supported by GSP as a whole body, all pledges will be included in one, general budget which will, in turn, fund the different ministries. Designated giving to a particular ministry is still an option but donating to the general fund allows us to use your monies to their fullest potential.

(Please complete all the information here and on the reverse of this page. We'd like both cell numbers and both email addresses when there is more than one person participating in this pledge.)

Grace St Paul's Episcopal Church

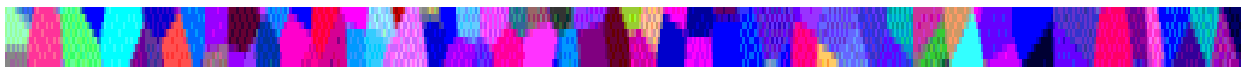

Giving and Receiving for 2012

It takes more than money to run Grace St. Paul's.

Your time and talent not only help us to fulfill our mission of sharing the gifts of God with all, but also bring us together in communion with each other through worship and play. The following are some of the many ministries that we enjoy together. Is there something here that calls to you, either as a participant or recipient? **Indicate which ministries you would like to be contacted by for more information.**
